Price $1,999.00 RRP AUD (inc. GST)

Overview

The Satellite P870 notebook makes a statement in trail-blazing technology for discerning entertainment lovers on the go.

With its 17.3" HD screen, this exceptional Toshiba notebook is the ultimate high speed performer and dynamic multimedia entertainment hub.

The perfect choice for trendsetters who prefer a larger screen size and greater performance power, this is a stunning showcase of innovative features - we keep thinking of what you'll need before you even know you need it - taking you to the forefront of portable notebook technology.

Latest Generation Intel® Core™ processors and additional memory deliver high speed performance and capabilities so that you can work faster and smarter.

When it's time to pack up your working day, turn your notebook into an incredible portable media centre with the ability to watch a DVD on TV; immerse yourself in games; or simply relax and listen to your music delivered withbrilliant sound through superior harman/kardon® speakers.

Then, when it's time to turn in, plug your digital devices into the two USB Sleep-and-Charge ports of your sleeping or switched off notebook and they'll be as energised as you are when you wake up.

Toshiba recommends Windows® 7.
